The aim of this course is to propose a rational approach for the use of skeletal anchorage miniscrews during daily orthodontic practise. During the course the most important steps for insertion, orthodontic utilize and removal of miniscrews will be illustrated and discussed. Some risks and complications of this orthodontic device will be described and relative prevention and solutions will be suggested.

Several clinical applications will be shown, in particular dealing with adult orthodontic treatment and pre-prosthetic orthodontic treatment. Many show cases regarding every clinical application will be reported.

COURSE PROGRAM

- Introduction and literature
- O.A.S. Orthodontic Anchorage Screw: clinical method
- Risks and complications
- Mesio-distal dental movements
- Upper molars distalization without patient compliance
- Use of O.A.S in interdisciplinary treatment
- Lower molars uprighting
- question time part 1

- Orthodontic extrusion
- Orthodontic management of impacted lower molars
- Intrusion in upper arch
- Lower incisor intrusion
- question time part 2
9 - 11

11 - 11:15 / Coffee Break

11:15 - 13:15

13:15 - 14:30 / Lunch

14:30 - 17:30
Dr. Nicola Derton

- Born in Conegliano (TV) - ITALY - 04-15-1971
- Degree Dental School University of Padua (ITA)
- 1996 - 1999 Visiting Professor - Master Oral Surgery - University of Padua (ITA)
- g.G.o. (gruppo Gaslini ortodonzia) Member from 2003
- RedOI (Registro degli Ortodontisti Italiani) Member from 2004
- CEO (European Orthodontic College) active Member from 2006
- Regular (active) Member Tweed Association from 2007
- Courses Instructor Tweed Foundation (Tucson-Arizona) from 2009
- Specialist in Orthodontics University of Ferrara from 2010
- Visiting Professor University of Trieste Departement of Orthodontics
- Italian Board of Orthodontics (IBO) Active Member
- European Board of Orthodontics (EBO) Active Member
- Italian Accademy of Orthodontics Active Member
- Member Council ASIO 2017/2018
- Speaker at national and international Congresses
- Author of many Scientific Publications
- Author of a Testbook - Orthodontic Miniscrew
- International expert Orthodontic Skeletal Anchorage
- Private Practise
